Tips for Using This Article to Spread the Word of God

Congratulations!

You have taken a very important step in downloading this article. After you have read it for yourself, I hope you will want to share it with others. Here are some suggestions you may want to use to spread God's Word by publishing this article:

Submit to a Church Newsletter

Church's are always looking for articles to run in their newsletters. Call the church first and ask them what format they prefer the article to be in. If they want the article on computer disk, you will need to go to our website, go to the page where the article appears, highlight the article and copy and paste it into either MS Word, Wordperfect, Notepad, or whatever word processing software program you use.

Depending on the software you paste the text of the article into, you may have to reformat it. (Sometimes, extra spaces and weird symbols will appear in some software programs. Therefore, I highly recommend you paste the text you copied from our website to Notepad [under Start/Programs/Accessories if you use Windows] so it will be free from formatting. Then, copy and paste the text from Notepad into your word processing program) and save on a diskette or email.

Of course, if the church accepts PDF format, you can simply email them the PDF file you downloaded originally from our website or copy onto a diskette.

Or, if the church prefers the article to be submitted in typed form, just print out a copy of the article on your printer and hand it to them. (Note: faxing the article may cause some parts of it to be hard to read.)

Offer as a Free Download From Your Website

Place this article (in PDF format) on your own website and allow others to download it free of charge. If you have other products and services you sell from your website, the free articles will make an excellent "attention grabber" for new customers. In marketing, let everyone know about the free articles available for download. People will visit your website to get their free article and be introduced to your products or services at the same time.

Distribute in Your Regular Mail

If you correspond with relatives or any group by mail, place a copy of this article in your mailing.

Send the Article by Email

When you first download this article in PDF format, make sure you save it on your computer so you can easily find it later. It would be best to make a new folder called something like "articles" and copy all the articles you download from our website inside this folder. When you are ready to send your email, attach the PDF file (in your "articles" folder) and send it.

Create a Booklet

You can also download all the articles available on our website and format them into an attractive booklet. Most people prefer the 5x8" format (the size of a sheet of typing paper folded in half), but you can present the material in any format you desire to fit your audience. You may want to charge a small fee for each booklet to cover your costs for printing and distribution.

Create a Booklet PDF Download

If you purchased the full version of Adobe Acrobat, you can download all the articles available on our website and combine them into one document. You save this one document and provide it as one PDF download (rather than separate article downloads.)

Selling These Articles for a Profit

Although we do not intend for these articles to become a money-making venture for people, if you wish to charge a fee and sell these articles -- all that is asked is that you donate 10% or more of the income to a Holy-Spirit filled ministry to benefit God's people.

Please understand -- the sole intention of our articles is to spread God's word throughout the world. The fastest way to do this is by providing our articles copyright free. However, as mentioned -- they are not intended to become a money-making venture so please use fair and righteous judgment in your distribution of these articles and pray that God will use them to touch the right people so they may be saved.

Free Gift That Will Change Your Life!

Is This Gift “Really” Free?

People who sell products often use the marketing angle of offering you a “free gift” -- but there is always a catch. You normally have to purchase something first to get the “free gift.”

But the “free gift” we are going to make known and offer to you right now requires no money and there is no hidden catch. In fact, this gift is so valuable it is worth more than any mansion or bank account on earth. No amount of money could purchase the “free gift” you are getting ready to be offered and this opportunity may not come again.

Why is My Soul Worth More than \$10 Million Dollars?

What do you consider to be “a lot” of money? We’ll use \$10 million dollars as an example. Okay -- you now have \$10 million dollars in your bank account but you just had a heart attack and are expected to die within the next 48 hours. Is that \$10 million worth anything now? No -- having money in your bank account is the least thing on your mind. Your mind is focused on the fact that you are getting ready to face death. So you can clearly see now “why” your soul is worth more than \$10 million dollars.

What is Your Soul?

You are made up of 3 parts: (1) a body; (2) a mind; and (3) a soul. Your soul is shaped like your external body (two arms, head, feet, etc.):

Psalms, Chapter 44, Verse 25:

“For our soul is bowed down to the dust: our belly cleaveth unto the earth. “

-- or --

Leviticus, Chapter 19, Verse 8

“Therefore every one that eateth it shall bear his iniquity, because he hath profaned the hallowed thing of the LORD: and that soul shall be cut off from among his people.”

Note: If your soul was just a part of your head it would not be bowing down to the dust or being cut off from among its people.

When your body dies (and there is no escaping this fact), your soul leaves your body. Since souls never die -- your soul will go to either 1 of 2 places: (1) to Hell or (2) to be with God the Father, God the Son (Jesus Christ) and God the Holy Spirit.

Of course (given the choice) any sane person would choose to be with God. However, since God is a perfect spiritual being and does not allow sin to be in His presence, the only way you can escape going to Hell is to accept Jesus Christ dying on the cross and shedding His blood for your sins as the only means of salvation. That is the “free gift” you are being offered at this very moment -- the gift of eternal life through Jesus Christ.

How to Become Saved:

Billy Graham cannot save you. The Pope cannot save you. Buddha cannot save you. Satan cannot save you. Nobody in existence can save you from Hell except Jesus Christ. Only by His grace are you saved -- and the only way to obtain His grace is through faith. Too many people ask God to show them He is for real before they accept Him. God is the ultimate power and deserves much more respect than that. He already sent his Son to die for you. What more do you want?

1. Admit you are a sinner.

Romans, Chapter 3, Verse 10:

“As it is written, There is none righteous, no, not one:”

2. Believe in your heart that Jesus Christ died for you, shed His precious blood, was buried and rose from the dead.

Romans, Chapter 10, Verses 9-10:

“That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. “

3. Ask Jesus Christ to come into your heart, soul and mind -- and know that after you die you will be going to Heaven to live in peace for all eternity with your creator, Jesus Christ.

John, Chapter 3, Verse 16:

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”

Don’t Delay!

Don’t make the same mistake I did by putting off the acceptance of your “free gift.” If you wait to clean up your life first -- you will never be able to do it. Jesus Christ is the only one who can change your human nature. And you won’t be saved just because you are a good person and treat

people right. The ONLY way to be saved is by the acceptance of Jesus Christ.

Ephesians 2:8-10

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast. For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them."

Who Am I to Tell You This?

I'm a Saved Sinner!

Just so you will know that what I am telling you in this article is the truth -- I lived an "unsaved" life until I was 24 years old. In 1982 I gave my heart to Jesus Christ and He immediately started working on cleaning me up from the inside out. The approach Jesus used was not the one I expected. It took several years of living through a wide variety of good and bad experiences to bring me to the point I am now -- but giving my heart and soul to Jesus Christ was the best decision I ever made. I honestly cannot understand how anyone can make it through the day without Jesus Christ. So I sincerely hope my words in this article convince you to do the same.

Just keep in mind that I am nobody special. In fact, I am sinner just like anyone else on the planet earth -- including YOU. The only difference between myself and an unsaved person is that I will be with Jesus Christ when my external body dies and the unsaved person will be in Hell.

Don't believe in Hell? Then I suggest you do a little more research before you are convinced of that. Because if there "really" is a Hell (and there is), you could be in for an eternity of intense pain and suffering with no relief and complete separation from God. Of course, I would expect any rationally thinking person to do everything they could to escape Hell -- especially when Jesus Christ will give His "free gift" to you right at this very moment. However, because so many fanatical and ignorant people have misrepresented Jesus Christ to you in the past -- you may not want to hear any more about Him. Please don't allow those people to cause you to miss out on Jesus's wonderful plan of salvation. Find out for yourself about Jesus Christ and don't rely on these other people or even other ministers to tell you the truth. Jesus Christ wants a personal relationship with YOU -- and He is the only one that can save you from an eternity in Hell. This is done by first accepting the fact you are a sinner and going to Hell.

You see -- the problem is that we human beings think "too much" of ourselves (the sin of pride). We look back at all the accomplishments we have made over the past decade with pride and boastfulness. We get "puffed up" and lose the

humility we are supposed to have as followers of Jesus Christ. But in actuality -- God is NOT in existence for our pleasure. Instead, we were created for HIS pleasure. God is the creator of all things. He is the Lord of Lords and King of Kings.

The Revelation, Chapter 1, Verse 8:

God says: *"I am Alpha and Omega, the beginning, and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty."*

I realize that it is very hard for us to imagine an entity so powerful that everything is within His control. If we do realize it, we begin to ask questions like: *"Why would a God so powerful allow all the bad things to happen?"* I used to think the same thing before I was saved also. But because of mankind's sins (not God's) the world today is the result of the sin where human beings were given free will to reject God.

So instead of seeking to ridicule God, you should be looking at the situation in a different light. You should be looking at God as the most powerful spiritual being in existence who loves you dearly but will NOT interfere in your decision to love and worship Him. It is up to you to seek and find Jesus -- not Jesus to find you and prove Himself. He is not your "genie." Let's look at it from a human point of view: If you wanted to talk to the President of the United States would you expect him to pull your phone number out of the phone book and call you up one evening to chat? Of course not! You know that the President is famous, and in order to talk to him, or see him in person -- you would have to exert a lot of effort. So if you would exert this type of effort just to see a human being, why can't you see that Jesus Christ is much more powerful, more famous and is the Creator of everything? Wouldn't it be more logical to seek out Jesus Christ? He is certainly more powerful, and cares more about you than the President of the United States ever would. Besides the President of the United States cannot give you eternal life but Jesus can.

What to Do After You Are Saved

If you trusted Jesus Christ as your Savior, you have just begun a wonderful new life with Him. Here are some suggestions for what to do next:

1. Learn more about Jesus Christ by studying His Word (the Holy Bible). Many new Christians do not enjoy doing this because they claim the Bible is too hard to understand. All you need to do is take the Bible in your hands, bow your head and ask God to direct you in understanding. Then, open the Bible and start reading (with the intention of learning, not ridiculing God). Sometimes it even helps to read the Holy Bible in an audible voice. God's

Word is very powerful and He will begin teaching and showing you things you never knew or imagined if you allow Him.

2. Talk to God in prayer every day. You don't have to get down on your knees and make a spectacle of yourself. God is a personal God. He wants to have a one-on-one relationship with you if you will allow Him to. Tell God about your problems or anything else that is on your mind. Talking to God can be done anywhere regardless if it's on the way to work or a quiet time during a break or lunch. So turn off the radio and TV for a few minutes and talk to God.

3. Don't be overly concerned about joining a church unless you feel the personal need to. Many churches today are after your pocketbook and could care less about your soul. So watch out!

Besides, show me any place in the Bible where Jesus or the prophets built a church and held church services? All of them, including Jesus were street preachers who journeyed from town to town. Therefore, it is not mandatory you attend church to be saved. That is often another ploy to get you to put money in the collection plate.

However, in Hebrews we are told to not forsake the assembling of ourselves together:

Hebrews, Chapter 10, Verse 25:

"Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching."

But "assembling of ourselves" does not translate to a huge church with 1,000s of people in attendance. "Assembling ourselves" can be a discussion about God with your friend or a fellow Christian over the telephone or by email. Again -- it is not necessary for you to attend church unless you know it will help you in building a better relationship with Jesus Christ.

4. Beware of television ministries. This industry is one of the most fraudulent medias in existence today. Don't believe me? Find one that doesn't ask you for money. A ministry should only be concerned with your soul -- not your pocketbook. If the ministry is legitimate, God will supply it's needs and they never have to ask people like you for money. (The telethons are the ones that make me the most angry.) So the next time you are sitting on the couch watching a TV evangelist, write down some of the scripture verses they refer to and listen to how they are explaining that particular Bible verse. Then look it up in your 1611 King James Bible (contained in this electronic document) and read a few verses before and after the verse. See for yourself if the minister is right. Test the spirits for yourself and you'll begin to see many people are telling you "half-

truths" as well as "downright lies." It's up to you to learn more about who God is and what you can do to serve Him. Every single one of us has a distinct purpose we were born for. We'll never find that unless we surcome to God's will and worship Him for who He is!

Please Be Saved Now!!

Pray and ask the Lord Jesus Christ:

"Lord Jesus, be merciful to me a sinner, and save me. I now, with a repentant heart, receive you as my personal Saviour".

If you just received Jesus Christ as your personal Saviour, fill out the Salvation Form offered on the website of the Bible Baptist Church in Pensacola, Florida at <http://www.kjv1611.org/salvform.htm> so you can receive an excellent brochure to help you in your new life with Jesus Christ.

Your Future

If you truly are saved, your future will be magnificent. Of course you will have to suffer through life while on this earth. But after your body dies, Jesus will have a mansion ready for you. Also, you and I will personally meet and know each other in Heaven. You will remember reading this article and together we will praise and worship our Savior Jesus Christ. We also will enjoy the wonderful eternal life He has ready for us who Love Him. I look forward in meeting you there one day very soon.
